FOREWORD

The work of the women of St. Philip's Church is exceptionally well organized. Through the Woman's Auxiliary much of this work is channeled, as this Year Book indicates. I commend this Year Book to each woman of the Parish and suggest that it be read and used as a guide and for reference during the year 1945-1946, our first as Rector and Congregation. "Do all as unto the Lord."

Faithfully yours,

Clarence R. Haden, Jr.

KERNER

It is with a sense of gratitude for our many blessings past and with a hope for continuing and expanding our work, that this little book is edited a second year. Please use it. It is an accurate manual of reference for our Auxiliary work as we pray, and study, and give, and labor, to share with others God's message of love.

Will you dedicate the use of this book with the following prayer?

Amy Carr

"Father of all mankind, throughout this day, and every day, help me to remember that a very real portion of Thy Kingdom has been placed in my keeping. Therefore teach me to love Thee: with all my mind - that I may think Thy thoughts after Thee, from dawn to dark, making beautiful and significant each decision of my daily living; help me to remove all prejudice and small-mindedness, O Lord:

with all my heart - that I may love those whom Thou lovest, feeling for even the most unlovable and difficult of Thy children Thine own everlasting mercy:

with all my soul - that I may seek fresh ways in which we can all be one in Jesus Christ our Lord, praying for Thy divine power to surge through my commonplace routine from morning till night:

with all my strength - that I may work the works of Him who sent me while it is day, seeking to channel through every act Thy devotion to the needs of both my neighbor and myself. Remind me from moment to moment that this is not optional, but the last command of Jesus Christ, our Lord. Quicken me and use me this day, for Thy name's sake. Amen."

CHRISTIAN EDUCATION

The Christian Church has two functions. The first is evangelistic, the work of winning people into the christian life. The second is educational, training people in the christian life.

Christian education is not merely the work of informing people about the christian religion. It is the work of providing the help that people need in living that life more fully.

This 1945-1946 program is planned to provide help and guidance to take each person from the position she now occupies to a richer and stronger christian life. The objective is to stimulate, guide, and enrich the experience of our members in such a way that they shall develop (1) christian relation to God, (2) christian relation to our fellowmen, (3) loyalty to Jesus Christ, (4) a christian evaluation of the individual, (5) christian initiative and self-reliance, (6) an intelligent grasp and use of christian truth, (7) knowledge and appreciation of the Bible, Prayer Book, and other parts of the church's heritage, and (8), participation in the corporate life of the church.

Every experience in our life in the church is educational, It is our desire that our members use the means provided by the church: worship, prayer, fellowship, and study, to christianize these experiences and make us truer servants of our Lord.

CHRISTIAN SOCIAL RELATIONS

The Committee on Christian Social Relations is ready to serve in the Parish, the community, or world, those people who are sick, lonely, or in need. It would seem that the best work we may do this year is to lend every effort to alleviating suffering in the war-torn countries whose destitution we can never know.

In September we will pack kits for Russian relief.

In October we will pack Christmas kits which will be sent to christian families in liberated Europe and Asia as a means of meeting material needs and developing a spirit of brotherhood with christians of Greece, Norway, the Philippines, and other countries.

The project in November is the Red Cross Sewing Room. We all know the desperate need of people for clothing which is supplied through the Red Cross. We ask the cooperation of each woman of St. Philip's to form a large group who will sew at the Red Cross production room each Wednesday during November.

We find in information from national headquarters that this committee is to contribute to the fellowship within the Parish, therefore we are happy to lend our efforts toward the work of preparing for the Auxiliary Christmas Party. This will be our December project. Other projects for the year will be announced later.

UNITED THANK OFFERING

Participation in the United Thank Offering is a very special privilege accorded women of the church and its growth is an inspiration to women everywhere. Diocesan and Parish custodians are continually reaching out in an effort to have every woman make some expression of thankfulness through the United Thank Offering.

The emphasis is not on "How much," but "How many."

ALTAR GUILD

The function of the Altar Guild is the care of all sacred vessels, linen, brasses and hangings. It is responsible for the provision of the elements, candles, etc., and to replace any articles which are worn from service. The members, serving one month in the year, prepare the Altar for the Holy Communion every Sunday and on all Feast Days, and change the hangings for Baptisms, Weddings and Burials. All flower arrangements for the Altar must be the duty of an Altar Guild member. These duties by the Altar Guild, which are so unobtrusively done, contribute to the most important and sacred function of the church, requiring loving and consecrated care.

THE NURSERY

Chairman: Mrs. J. E. Shuler, 2650 University Dr., F-2751

For the benefit of those who are not acquainted with the Nursery, it is for the convenience of mothers who would like to go to church but have no one to care for their children. We want them to feel free to use the Nursery. Your child will be well taken care of during that hour.

During the winter we try to have two mothers in charge each Sunday, as our attendance is larger than in summer. To do this we need the help of as many mothers as we can possibly get, so that the same willing ones will not have to be imposed upon by being asked to serve too often. We feel this is a most worthwhile project. We ask that you respond when called upon to serve.

The following is a list of the names of mothers who have so graciously kept the Nursery of St. Philip's during the church hour and to whom we wish to express sincere thanks:

Beaman, Mrs. J. R.
Boyd, Mrs. R. B.
Bryson, Mrs. E. C.
Cooke, Mrs. R. B.
Dunnagan, Mrs. M. H.
Gibson, Mrs. J. D.
Harris, Mrs. I. E.
Harrison, Mrs. W. M.

Roberts, Mrs. B. R.
Schofield, Mrs. W. M.
Troy, Mrs. Ballard
Webb, Mrs. H. B.
Webb, Mrs. Joe

In addition to this list, we are happy to say that one member of the Y.P.S.L. serves each Sunday.

The purpose of the Council is to evaluate parish activities, to draw up and set forth a more effective parish program, to prepare concrete plans for carrying out the program, to coordinate organized activities, and to offer suggestions to the Vestry regarding the budget necessary for the program.

YOUNG PEOPLE'S SERVICE LEAGUE

The real purpose for the existence of the Y.P.S.L. is that through its varied activities, the young people of our church may be led to know the Living Christ, and to translate into terms of everyday living the four ideals of worship, study, fellowship, and service. Therefore, it is with full realization of the task at hand and of the high privilege which is theirs, that these four women from the Auxiliary go about their work each year, happy to share in such an inspiring and vital part of the church's march forward.

THE WOMAN'S AUXILIARY PRAYER

Almighty God, our heavenly Father, bless we pray Thee, our work for the extension of Thy kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labor diligently, and give liberally to make Him known to all nations as their Savior and their King: through the same Jesus Christ our Lord. Amen.

On behalf of the Woman's Auxiliary we wish to express our appreciation to Mrs. H. H. Lewis, for her efforts in making this book possible.

Amy Carr, Pres.
